

# TABLE OF CONTENTS

CHAPTER 1: INTRODUCTION .....	1
Project Purpose .....	2
Planning Background .....	3
Ogden Valley Vision Statement .....	5
Relevant General Plan Goals and Objectives .....	7
OVGP Goal: Enhance Quality Recreational Opportunities .....	7
Document Overview .....	8
CHAPTER 2: LAND USE AND ZONING ANALYSIS .....	9
Land Use and Development Assessment .....	10
Ogden Valley’s Development Potential .....	19
Current Conditions .....	19
Higher Development Intensities through Clustering .....	21
Summary of Ogden Valley’s Development Potential .....	26
Powder Mountain Resort Development Analysis .....	27
Resort Land Ownership .....	27
Development Constraint Assessment .....	30
Resort Development Potential .....	31
Summary of Development Potential at Powder Mountain Resort .....	34
Snowbasin Resort Development Analysis .....	34
Development Constraint Assessment .....	36
Resort Development Potential .....	38
Summary of Development Potential at Snowbasin Resort .....	40
Nordic Valley Resort Development Analysis .....	40
Development Constraint Assessment .....	41
Resort Development Potential .....	43
Summary of Development Potential at Nordic Valley Resort .....	44
CHAPTER 3: RECREATION ANALYSIS .....	45
Community-Oriented Recreational Facilities and Resources .....	45
Public and Private Recreational Facilities and Resources .....	52
Forest Recreation .....	54
Pineview Reservoir .....	56
Trails - Hiking, Biking, and Equestrian .....	57
Fishing .....	58
Hunting .....	58
Camping .....	59
Climbing .....	60

Scenic Driving . . . . .	60
Golf . . . . .	61
Snow Skiing . . . . .	61
Snowmobiling . . . . .	62
Tourism Visitation . . . . .	63
CHAPTER 4: ENVIRONMENTAL RESOURCES ANALYSIS . . . . .	69
Natural Resources . . . . .	70
Soil Resources . . . . .	70
Water Resources . . . . .	71
Vegetation Resources . . . . .	72
Wildlife Resources . . . . .	73
Environmental Constraints . . . . .	73
Steep Slopes . . . . .	73
Geologic Hazards . . . . .	75
Stream Corridors and Wetlands . . . . .	76
Floodplains . . . . .	76
Essential Wildlife Habitat . . . . .	77
Scenic Corridors . . . . .	78
Agricultural Lands . . . . .	78
Development Suitability Analysis . . . . .	79
Sensitive Lands Ordinance . . . . .	80
CHAPTER 5: TRANSPORTATION ANALYSIS . . . . .	81
Existing Roads and Their Capacities . . . . .	82
Ogden Canyon Road (SR-39) . . . . .	82
New Trappers Loop (SR-167) . . . . .	83
North Ogden Divide (Weber County 3464) . . . . .	83
SR-39 . . . . .	84
SR-158 . . . . .	84
Huntsville to Eden Roads (Weber County 3468) . . . . .	85
Eden to Liberty Roads (Weber County 3464) . . . . .	86
Avon Divide Road . . . . .	87
Existing Levels of Service (LOS) . . . . .	87
Existing Transportation Improvement Projects . . . . .	90
Recommended Transportation Improvement Projects . . . . .	90
Potential Revenue Sources for Transportation Improvement Projects . . . . .	91

CHAPTER 6: PUBLIC PARTICIPATION AND OPINIONS ..... 95

    Stakeholder Committee Meetings ..... 96

    Public Workshops ..... 97

        September 2004 ..... 97

        December 2004 ..... 99

        April 2005 ..... 102

    Visual Preference Survey ..... 109

CHAPTER 7: ISSUES AND CHALLENGES ..... 111

    Growth Along the Wasatch Front ..... 111

    Growth Potential of Ogden Valley ..... 112

    Rural Character Versus Growth Potential ..... 113

    Some Resources Are at Capacity, Others Are Not ..... 114

    Future Roles for Expanded and New Resorts ..... 115

    Traffic ..... 116

    Open Lands Protection ..... 117

    Sprawl Verses Nodal Development ..... 117

    Transfer of Density ..... 118

CHAPTER 8: ALTERNATIVE DEVELOPMENT SCENARIOS ..... 123

    Baseline Data for the Alternative Development Scenarios ..... 123

    Overview of the Alternative Development Scenarios ..... 125

    Alternative Development Scenario I: Low Intervention and Current Trends ... 126

    Alternative Development Scenario II: Large Lot Preference and Open Space ... 129

    Alternative Development Scenario III: Density Transfer and New Resorts ..... 132

    Alternative Development Scenario IV: Combination ..... 136

CHAPTER 9: RECOMMENDED POLICIES AND IMPLEMENTATION STRATEGIES ..... 141

    Structure of the Chapter ..... 143

    Community Recreation Facility Investments ..... 144

        Implementation Strategies ..... 144

    Public and Private Recreation Facility Investments ..... 146

        Implementation Strategies ..... 146

    Tourism Facility Investments ..... 150

        Implementation Strategies ..... 150

    Transportation Facility Investments ..... 151

        Implementation Strategies ..... 151

    Environmental Resource Protection ..... 152

        Implementation Strategies ..... 152

Resort Development Guidelines ..... 152  
 Implementation Strategies ..... 153  
 REFERENCES ..... 163

**LIST OF TABLES**

Table 1. Land Ownership Acreage by Planning District in Ogden Valley. .... 10  
 Table 2. Distribution of Ogden Valley Land by Land Use Categories. .... 13  
 Table 3. Distribution of Ogden Valley Land by Zoning Category. .... 15  
 Table 4. Distribution of Buildable Land by Planning District and Zoning  
 Category. .... 18  
 Table 5. Distribution of Potential Housing Units by Planning District and Zoning  
 Category. .... 20  
 Table 6. Amount of Moderately Sloped Land (30-40 percent slope) by Zone  
 Category and Planning District. .... 23  
 Table 7. Potential Housing Units in Ogden Valley Using Intensive Clustering. .... 24  
 Table 8. Potential Amount of Open Space Protected by Encouraging  
 Clustering. .... 25  
 Table 9. Lands Owned by or Associated with Powder Mountain Resort. .... 28  
 Table 10. Base Density Calculation for Powder Mountain Resort  
 Under Current Zoning. .... 32  
 Table 11. Powder Mountain Resort Base Densities under Different Forest District  
 Zoning. .... 33  
 Table 12. Lands Owned by or Associated with Snowbasin Resort. .... 35  
 Table 13. Base Density Calculation for Snowbasin Resort Under Current  
 Zoning. .... 39  
 Table 14. Snowbasin Resort Base Densities under Different Forest  
 District Zoning. .... 40

Table 15. Lands Owned by or Associated with Nordic Valley Resort. . . . . 41

Table 16. Base Density Calculation for Nordic Resort Area Under Current Zoning. . . . . 43

Table 17. Base Density Calculation for Nordic Resort Area Under Current Zoning. . . . . 44

Table 18. Summary of existing community recreational facilities and resources in Ogden Valley. . . . . 47

Table 19. Summary of the estimated acreage needed for existing recreational facilities and resources in Ogden Valley. . . . . 48

Table 20. Summary of community recreational facility needs for Ogden Valley – 2005. . . . . 48

Table 21. Summary of community recreational facility needs for Ogden Valley – 2030. . . . . 50

Table 22. Summary of recommended community recreational facility expansions in Ogden Valley – 2030. . . . . 53

Table 23. Developed Recreation Sites on the Ogden Ranger District of the Wasatch-Cache National Forest (USFS 2003). . . . . 56

Table 24. Developed Public Recreation Facilities in the Ogden Valley Project Area. . . . . 59

Table 25. Ogden Valley Skier Days, Skiers and Trips, 2003-2004. . . . . 65

Table 26. Summary of Area Affected by Environmental Constraint for Ogden Valley. . . . . 80

Table 27. Level of Service (LOS) Criteria for Class I & Class II Two-Lane Highways. . . . . 88

Table 28. Average Annual Growth Rates in Traffic for year 2004. . . . . 88

Table 29. Capacity and AADTs for the years 2001, 2002, 2003, and 2004. . . . . 88

Table 30. Transportation Needs and Cost Estimates for Ogden Valley. . . . . 92

Table 31. Housing Units and Open Space Acres for Each Alternative Development Scenario. . . . . 126

Table 32. Scenario I - Low Intervention and Current Trends Housing Development. . . . . 128

Table 33. Scenario I Year-round, Second Home, and Combined Growth Estimates, 2000 to 2035. . . . . 128

Table 34. Scenario I Estimated Total Trips for Growth in 2030. . . . . 129

Table 35. Scenario II - Large Lot Preference and Open Space Housing Development. . . . . 131

Table 36. Scenario II Year-round, Second Home, and Combined Growth Estimates, 2000 to 2035. . . . . 131

Table 37. Scenario II - Estimated Total Trips for Growth in 2030. . . . . 132

Table 38. Scenario III- Transfer of Development Rights and New Resorts Housing Development. . . . . 134

Table 39. Scenario III Year-round, Second Home, and Combined Growth Estimates, 2000 to 2035. . . . . 135

Table 40. Scenario III - Estimated Total Trips for Growth in 2030. . . . . 136

Table 41. Scenario IV - Combination Housing Development. . . . . 138

Table 42. Scenario IV - Year-round, Second Home, and Combined Growth Estimates, 2000 to 2035. . . . . 138

Table 43. Scenario IV - Estimated Total Trips for Growth in 2030. . . . . 139
